

## Thank You God For G U I dance

God's love is something that no one can explain  
It is made of deep devotion and of sacrifice and pain;  
It is endless and unselfish with patience and kindness too;  
The greatest gifts are those that cost the least  
Because the greatest gift given to me is you.

His hands are visible when you give me hugs.  
His hands are seen when you give me food.  
His feet are before me when you walk your talk.  
His feet are dancing when you share your pathway with me.  
I see His light today because you are in His presence.  
I see his guidance for me because you are dancing with joy.

So, continue to pray for one another, being a willing servant.  
My prayer for you is that God's mercies and blessings be upon you  
This day and every day as you abide in God and He abides in you.

Finally, surrender your will, and pay attention to your "Partner" in life,  
Be willing to trust, let go, and DANCE – letting God lead...  
For it's in G=God, U = you, and I= me + DANCE.

Dedicated to those who obeyed God and served with their  
whole heart, mind, and soul.  
Thank you for being a servant of God and helping me out of a  
very tight spot.

Love in Christ,
